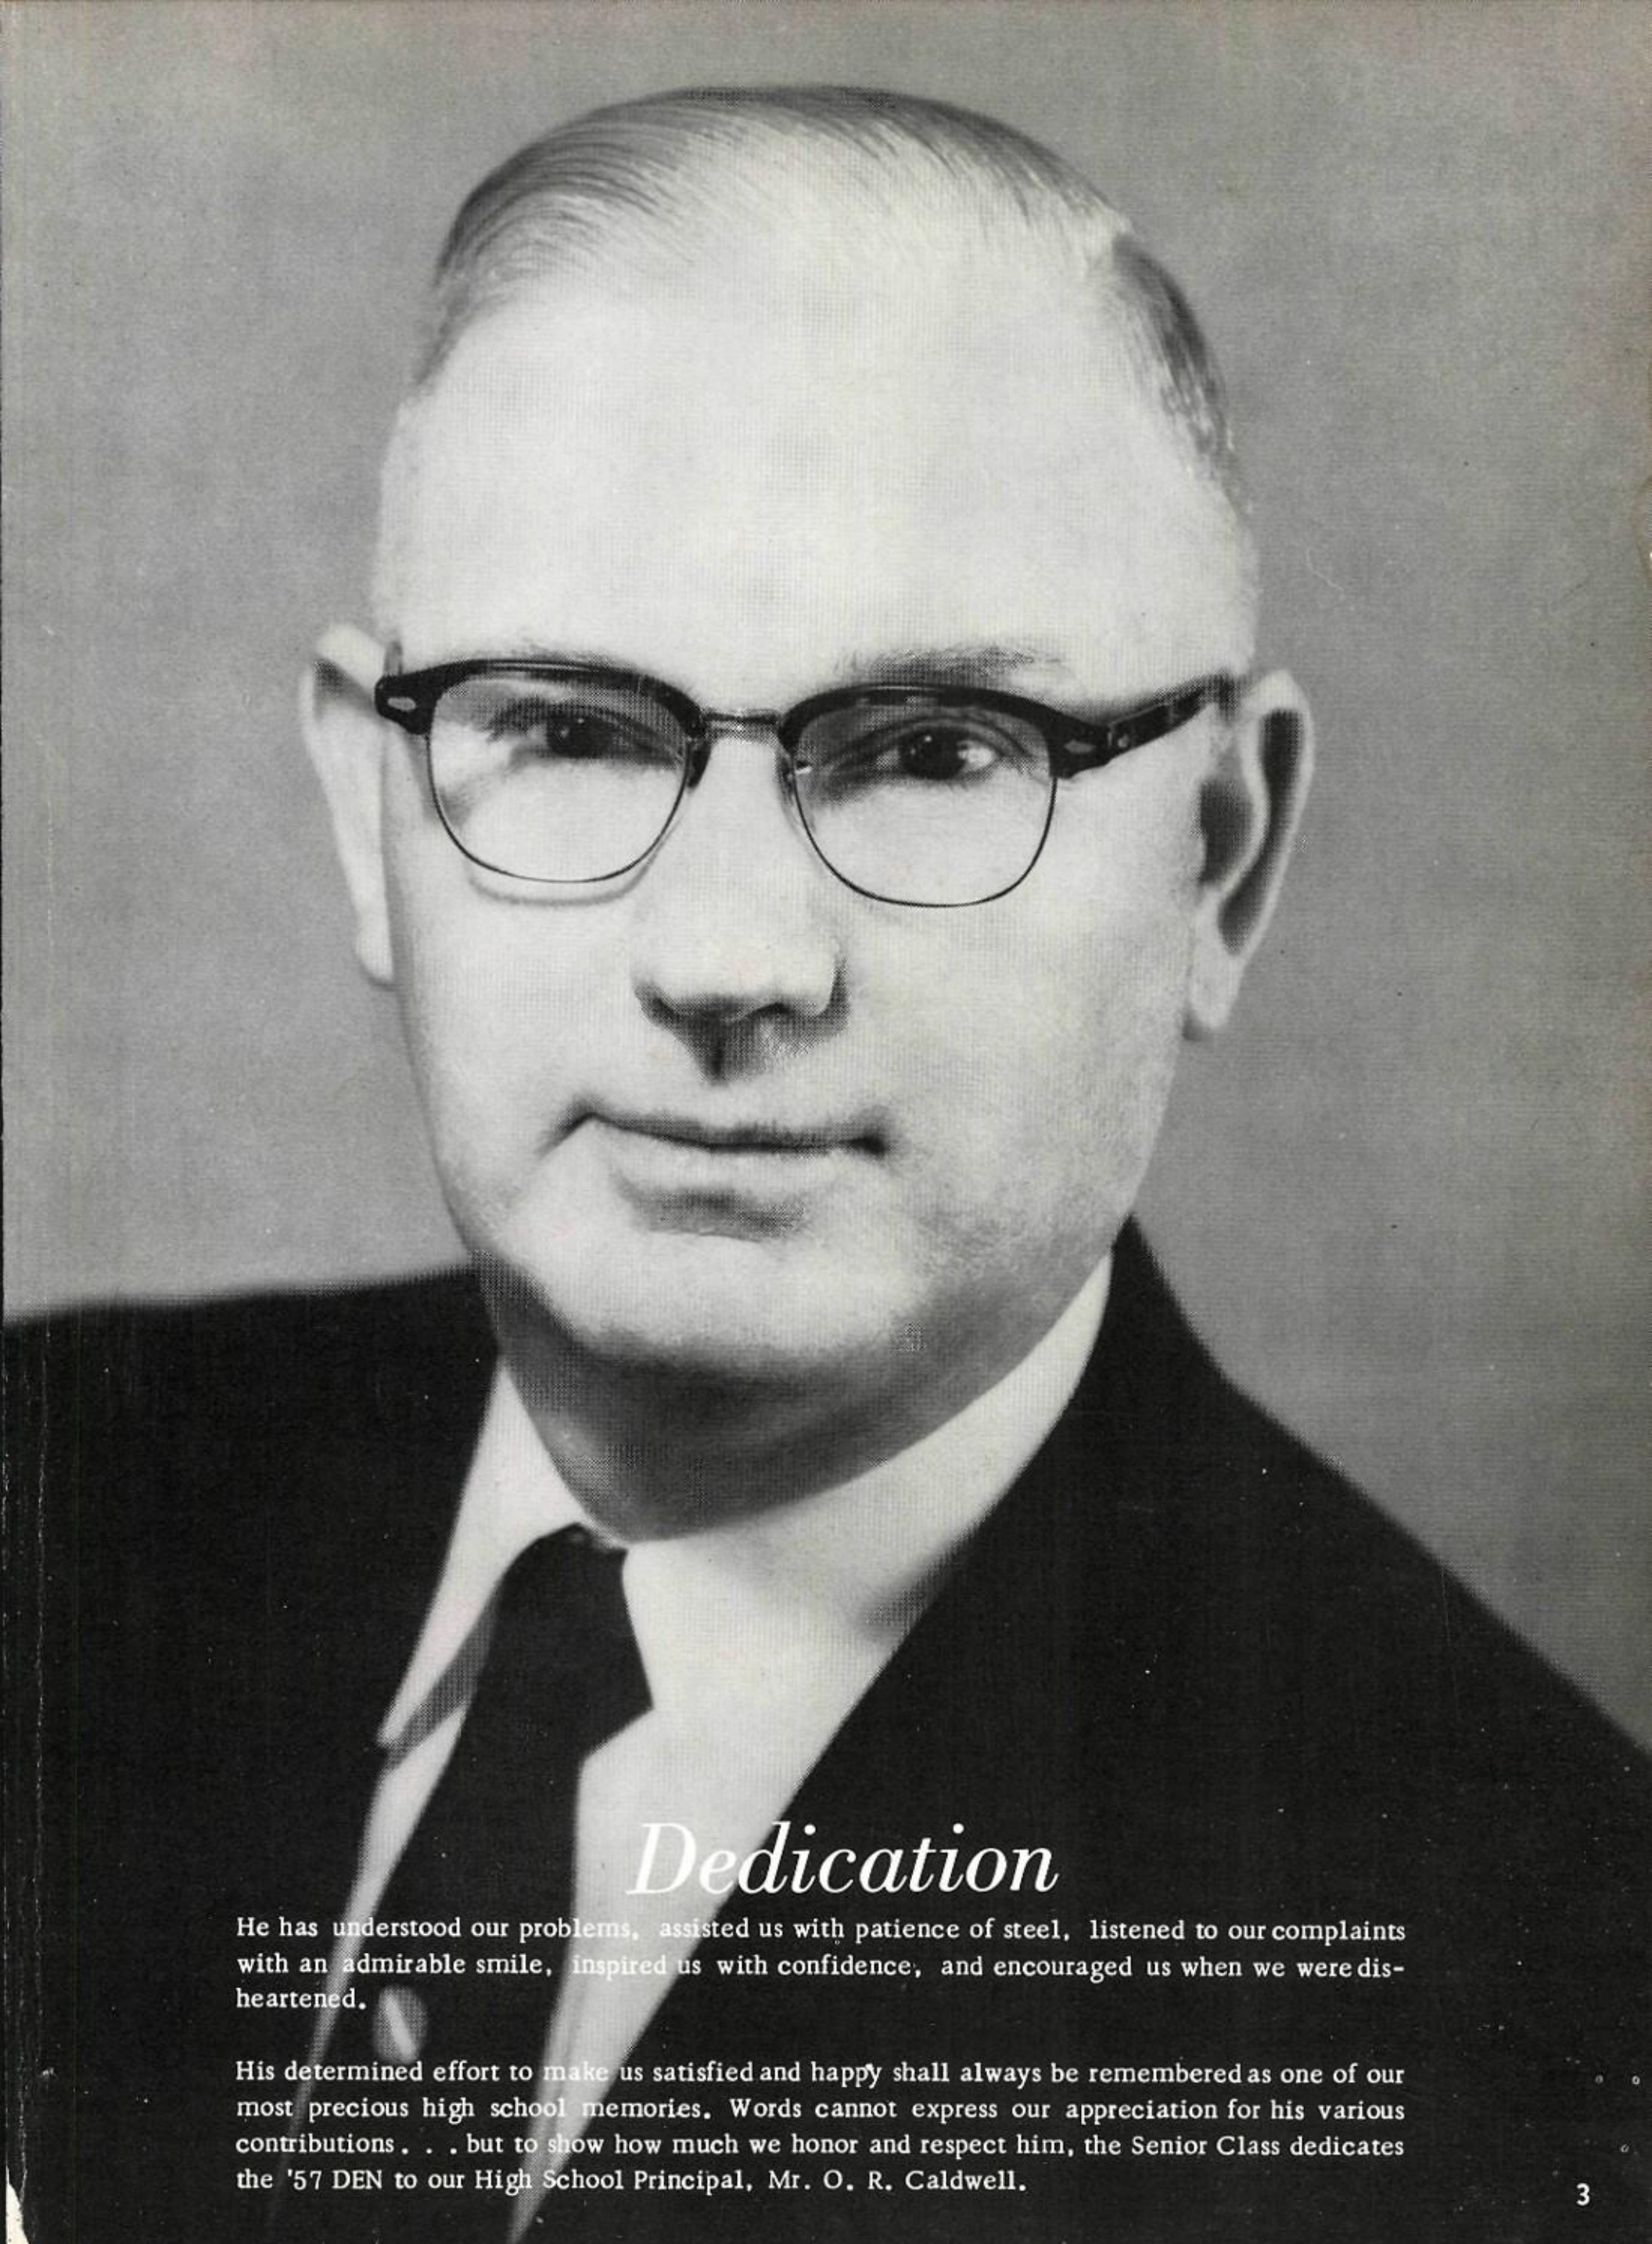
THE SENIOR CLASS OF
DAINGERFIELD HIGH SCHOOL
Daingerfield, Texas

Foreword

Daingerfield and Lone Star . . . OUR TOWNS . . . home of green fields, pine trees, red and sandy land, and a growing industrial center . . . LONE STAR STEEL. We are proud of Daingerfield and her material wealths, but equally proud are we that there have been fearless and strong-willed men who looked into the future and saw the opportunities to be had in the development of this area . . . Yes, all these things make us proud that we live in the Lone Star Steel Area . . . We of the DEN STAFF hope that by our selection of OUR TOWNS as the theme for this book, our deep feeling of admiration and respect may be shown for our towns . . . Daingerfield and Lone Star.



Dedication

He has understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, and encouraged us when we were disheartened.

His determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words cannot express our appreciation for his various contributions . . . but to show how much we honor and respect him, the Senior Class dedicates the '57 DEN to our High School Principal, Mr. O. R. Caldwell.

Alma Mater

Hail to thee, Daingerfield
With your colors high
Within our hearts are memories,
Of happy days gone by.
And with colors waving proudly up above,
We'll look to thee for guidance,
With loyalty and love.
